The International Conference on the Applications of Digital Information & Web Technologies (ICADIWT) has travelled along 3 continents (America, Asia, Europe): from Bangalore (2019), Juarez City (2017), Keelung (2016), Hong Kong (2015), Chennai (2014), Stevens Point, WI (2011), Aya Napa (2012), Istanbul (2010), London (2009) to Ostrava (2008). The 11th ICADIWT organization will take place at Thessaloniki, the second largest city of Greece.

ICADIWT'2020 is a forum for researchers to present innovative ideas, developments and applications in the areas of Applications of Digital Information & Web Technologies. ICADIWT'2020 will include presentations of contributed papers and state-of-the-art lectures by invited keynote speakers, focusing in the following topics (but not limited to):

### Digital Information Management

- Smart cities and structures
- Augmented Reality
- Actuators and sensors
- Robotics and Machine Vision
- Vibration and noise control
- Control systems

### Web Technologies

- Internet Communication
- Internet Technologies
- Web Applications
- Web Communication Interfaces
- Semantic Web Studies
- Adaptive Web applications and personalization

### System Engineering

- Internet of Things
- Internet Software
- Databases and applications
- Web Systems Engineering Design
- Adaptive Systems
- Digital Communication Software

### Digital Information Processing

- Digital Networks
- Digital Technologies
- Intelligent Agent systems
- Data Access and Transmission
- Real-time simulation
- Human-machine interaction

### Submission, proceedings

Papers must be submitted online through EasyChair. All accepted papers will appear in the conference proceedings published by Springer CCIS book series: Communications in Computer and Information Science (ISSN 1865-0929) <https://link.springer.com/bookseries/7899>. Over the period of 2009 – 2020, 1179 volumes have been published and indexed in the Web of Science database. Author instructions along with LaTeX2e (preferred) and Word macro files are available at Springer's Information for CCIS Authors page (<http://www.springer.com/series/7899>).

Submitted papers should not exceed 14 pages (long papers) and 8 pages (short ones), including figures, tables and references. Authors of accepted papers are required to transfer their copyrights to Springer. For a paper to appear in the proceedings, at least one of the authors MUST register for the conference by the camera-ready submission deadline with a full registration.

### Venue

The venue is a 5\* hotel, Grand Hotel Palace, <https://www.grandhotelpalace.gr/en>

### Important Dates

- 29 June 2020: Full papers submission
- 24 August 2020: Notification
- 7 September 2020: Camera readies and registration
